### Co-curricular Activities

- Was the member of Robocon team of the college in year 2015. We secured 8<sup>th</sup> rank in all over India
- Head of publicity team for the college technical festival was able to bring entries up to 1000 people for two days, with net registration charges total INR 14300. Also managed organizing during the fest days.
- Joint cultural secretary of our college, with marketing team under my supervision. Was able to avail sponsorship from Water kingdom, Thomas cook, Peta, Cromton Greaves, Monster drinks, Inox, Fasoos, Dominos, Stupidsid, Manas hotel and lifestyle etc, with cash total of INR 96000 and voucher worth 4.5 lakhs.

### Job Experience

**August 2016 - Present (12 months), Company: Accenture Solutions Private Ltd.**

- Currently working for the product MDR Quantum under Database developer team whose key responsibility is to build the new requirement, functionality and upgrade the features of the product. Additionally I was entrusted with the responsibility of defect fixing for both major and minor

functionality and performance enhancement. These activities had a major impact on preventing reoccurrence of discrepancies and prevent new releases from failure.

- Have worked in the project under the Agile framework, which helped me improve my skills of working under the time deadlines.
- Performed analysis of various attributes and took corrective actions for proper alignment of data across database so as to ensure proper functioning of the client product.
- Involved in accomplishing functional requirements and Ad-hoc requirements of the project which included PL/SQL queries and complex code modification to enhance the process.
- As part of Quantum MDR project, understood the various systems, process and impact of data alignment so as to provide proper documentation for drug approval.

#### **Skills**

- MS Office 2003 and above
- AutoCAD and Circuit designing with TINA
- Eagle: PCB making software
