PROJECT DETAIL:

➤ BE Project

The project help any naïve user to perform the various '*Asanas*' of yoga correctly and without any harm. The project is mainly aimed at finding out the errors in practicing the various '*Asanas*' of yoga correctly. Thus, it helps the user in performing the '*Aasana*' correctly by seeing the errors and correcting them in real-time. The reference image is that of a yoga expert, which remains constant while the user/practitioner can change. The project can thus be effectively used for practicing yoga correctly without the help of a yoga expert.
