## ACADEMIC CERTIFICATION -----

- (I) **HP CERTIFICATION (2015)** : I've successfully completed my summer training in ASP.NET with C# from 19-May-15 to 02-Jul-15. It was a great experience and had a lot to learning through Real time work and interaction with colleagues. I'm certified by HEWLETT PACKARD for Web Development in ASP.Net with C# technology.
- (II) **MTA CERTIFICATION (2014)** : The MTA certification was my initial credential in computer world. It's the acronym for "MICROSOFT'S TEHNICAL ASSOCIATE" consisting of the package of technologies HTML 5 , Software Development & Web Development Fundamentals.

**ACADEMIC PROJECT UNDERTAKEN -----**

S. No.	Project	Technology	Project Description
1	<a href="https://intoned-sevenths.000webhostapp.com">https://intoned-sevenths.000webhostapp.com</a>	HTML, CSS , Jquery Ajax, PHP & Mysql	An internship portal consisting of two users employers/students. Employers can post internship with minimum details and students can apply for the same.
2	Wartalap	HTML,CSS, PHP, MYSQL,JAVASCRIPT,JQUERY and AJAX.	This web application is similar to social networking applications currently present in market. It's a skeleton of my imagination which I've achieved using the technologies mentioned above.
3	convergence2k15.net	HTML, CSS, JAVASCRIPT	The project was made to guide the students about the techfest of our college including some tips and information related to various events like Sports, Technical etc.
4	<a href="https://googledrive.com/host/0B19yy1fwoygReWludmhJYXg5MHM">googledrive.com/host/0B19yy1fwoygReWludmhJYXg5MHM</a>	HTML, CSS 3	The project was made to guide the students about the NPPC(ISTE) held in our college on 5 <sup>th</sup> of march 2016.
5	Online Attendance System (Major Project)	ASP.NET with C# and MS SQL Server 2012.	Using college attendance management system, school or college management has an organized and easy approach towards updating and maintaining the different aspects of their institute. College administrative staff can reap many benefits from this system such as zero redundancy in attendance records, complete automation of all operations, centrally stored data etc.
6	Living Mantras For Health & Wellness (Minor Project)	HTML, CSS , ASP.NET with C# and MS SQL	Creating an all-round wellness app which helps the user to release stress and maintain his health with the help of tips in areas of meditation, art of living and health sciences.
