Project Undertaken:

Title of projects done:

- Title: Automation of Course Outcomes, Program Outcomes, Program Education Objectives Calculations:

- Our project discusses the idea of an effective technique that is generated to reduce the tedious work of Institute faculties.
- This system will reduce the time required by an institute to complete the process of NBA.
- NBA is outcome based learning education. Faculty has to assess the CO and PO attainment with respect to some direct and indirect tools, where a lot of clerical tasks get involved. Due to the time constraints and many other activities such efficient assessment may get hampered. There is no such existing system which will minimize these efforts. Our tool atomizes it.
