

RESUME

Name: KHEMCHAND DILIP MAHAJAN

Contact No: 9595564272

Email Id: mahajankhemchand@gmail.com

Address: Sarthi ,43A/6A/3 Vikasnagar,Kiwade,Pune-412101

OBJECTIVE

To work an organization which provide me opportunity to improve my knowledge and skills to fulfill the organizational goal.

ACADEMIC CREDENTIALS

Education	Institute	Board/University	Percentage	Year	Class
BE	JSPM's RSCOE, Pune	Pune University	72.06	2016	Distinction
Diploma (Computer)	Government Polytechnic Nandurbar.	MSBTE	73.55	2013	Distinction
SSC	S.V. HighSchool,Asoda,Tal.-Jalgaon,Dist.-Jalgaon,425101	Nasik Divisional Board	77.09	2010	Distinction

Technical Skill:-

Programming Languages Known	C, C++, Core Java, JSP, Servlet, Oracle Policy Automation(OPA)
Database Software Known	MySQL5.2
Software Known	Turbo C, Eclipse Mars, Netbean 7.2, ArgoUML
software testing	Manual testing completed in Qspider Deccan,Pune.

SOFTWARE TESTING SKILLS :

MANUAL TESTING

- **Functional Testing.**
- **Integration Testing.**
- **System Testing.**
- **Agile Methodology.**
- **Acceptance Testing.**
- **Thorough knowledge on Regression Testing.**
- **Good on Test case design techniques.**
- **Expert in writing, reviewing and executing Test Cases.**
- **Extensive knowledge on Defect Life Cycle.**
- **Excellent knowledge on STLC (Software Testing Life Cycle).**
- **Knowledge on all phases of SDLC (Software Development Life Cycle).**

AGILE METHODOLOGY

- **Thorough knowledge on Scrum Methodology.**
- **Good knowledge on :**
 1. Sprint Planning Meeting.
 2. Daily Sprint Standup Meeting.
 3. Sprint Retrospect Meeting.

ASSIGNMENTS

- Hand Written Functional testing on Yahoo signup page.
- Hand Written Functional testing on Facebook create user page.
- 100 integration testing scenarios on Gmail.

PROJECTS :

ACADEMIC PROJECT'S

1	Project	Hospital Management System.
	Technology	Java JDK 7, MySQL 5.5, NetBeans 7.2.
	Application	This Project is Developed Using Java Applet Programming, with Images. Hospital Management System is a complete package one needs for a hospital to deal with all the day to day operations taking place. The program can look after Inpatients, OPD patients, records, database treatments and billings. It also maintains there in hospital info such as ward ID, Doctored in Charge etc.

2	Project	Disease Inference System based on Health-Related Question Answer system.
	Technology	Java JDK1.8, SQL Server 2008 ,Eclipse MARS,.
	Application	Disease Inference system which will give the disease information which he/she is facing on the basis of health related questions. In a less amount of time he/she will get to know what he/she is facing and that to by sitting at the home. We are also providing them the nearest doctor suggestion which he can consult for his treatment. Using our system health seeker will get immediate response as compared to the existing system .Our approach is distinctly different in that we are trying to build a general predictive system which can utilize a less constrained feature space, i.e. taking into account all available demographics and previous medical history. Moreover, we rely primarily on predictions to account for the previous medical history, rather than specialized user inputs.

ORACLE POLICY AUTOMATION PROJECT

1	Project Name	Nisan
2	Project Name	Burger Paint Policy
3	Project Name	Different Assignments on Rule.

HOBBIES

- Travelling to new Places.
- Listening to music.

EXTRA-CURRICULAM ACTIVITIES

- Awarded by best research paper in project
- Participated in C and C++ test competitions.
- Drawing competitions.

PERSONAL DETAILS

- **Nationality** : Indian
- **Gender** : Male
- **Date of Birth** : June 26th 1994
- **Language proficiency**: English, Hindi, Marathi.

DECLARATION

Hereby, I declare that the above furnished details are true to the best of my knowledge and I am solely responsible for any difference from actual data.
