## ADDITIONAL INFORMATION

---

### Projects

- Final year project as part of team comprising of four members lead by myself. Efforts were made to reduce the time and manual calculations by designing a **SMART TROLLEY IN MALLS**
- CDAC Project-  
**Automatic Bus Pass Renewal System**  
**Duration:** 20 days  
**Language used:** C#,ASP.NET  
**Database:** MYSQL  
 In this Project we design website using ASP.NET for development of automatic Bus Pass System. In this manual dependency is removed. The system is fast and secure than traditional system.

### Personal Skills

- Languages(s)      Marathi, English and Hindi
