Career Objective:

Looking forward to work in an organization that will give me a chance to learn many new challenging things as well as opportunities to implement my knowledge, appreciate my contributions and reward my efforts, having a team of professionals and quality environment where my knowledge and experience can be shared and enriched.

Academic Qualification:

- **Bachelor of Science – (BSC-CS)** secured **60%** Dyansadhana College affiliated to the Mumbai University, Maharashtra in (2012-2015)
- **Higher Secondary Certification – (HSC)** secured **55%** from Dyansadhana College Thane affiliated to the Mumbai Board, Maharashtra in (2011 – 2012)
- **Secondary School Certification – (SSC)** secured **66.54%** from MEHS School affiliated to the Mumbai Board, Maharashtra in (2009-2010)

Experience profile:

- Working as **Software Engineer** in **Finicity, Mumbai** from **Jan 2016** to **March 2018(2 years)**.

Technical profile:

Project #1 : **Mvelopes (Budgeting Software)**

Role : **(Software Engineer)**-Writing Scripts for new Banks,Maintaining and Supporting old scripts and few testing parts.

Domain : Banking Domain.

Description : **Mvelopes** is a web-based personal finance software that takes the traditional envelope budgeting method to the next level by using digital envelopes to manage your budget and cashflow. Mvelopes is the next-generation personal finance solution, taking money management to the web. Mvelopes lets you monitor all your bank and credit card accounts at one single place. Transactions are automatically downloaded every night and categorized.

Achievements/ Extracurricular activities:

- “Performer of the Month” award at Finicity.
- “Award of Excellence” for maintaining queues at Finicity.

Project #2 : online Examination (College Project)

Technologies : Net Beans 7.2, Microsoft SQL Server 2008,HTML, CSS,Javascript.

Role : Designing ,Coding and Documentation.

Description : On-line Exam System is very useful for Educational Institute to prepare an exam, save the time that will take to check the paper and prepare mark sheets. It will help the Institute to testing of students and develop their skills. But the disadvantages for this system, it takes a lot of times when you prepare the exam at the first time for usage. And we need number of computers with the same number of students.

Professional Qualification :

- Certification on **Asp.Net** (Private institution)

Technical Skills :

- HTML,CSS,JAVASCRIPT,C#,SQL.
