Support System (DSS)'.

## Projects Undertaken

Project for B.E. on Placement Support System: (Team Size: 3) (2016)

Placement Support System is a web application where students of the college register themselves for jobs.

This project contains modules Admin (TPO), Company and Student.

They will be provided Login ids for making any changes in their section itself.

Also, the students can upload their resume and give the aptitude exams conducted by the company itself in E-exam section.

Platform used- Windows

Front End- Microsoft Visual Studio 2010

Back End- Microsoft SQL Server 2005

Language Used- C# (C Sharp)

Mini Project on Web Designing - Mobile Specifications: (Team Size: 3) (July'14-Dec'14)

It had specifications of different Mobiles available in the market.

It was built using HTML and CSS.

Mini Project on Android application - Tic Tac Toe Game (X & O): (Team Size: 4) (Jan'15-June'15)

Made this game using Android Studio as Mini Project.

I hereby declare that all the details furnished above are true to the best of my knowledge and belief.

Date - 05/05/2017

Place - Bhiwandi
