Hobbies

- Listening Music, Playing Cricket, Social Work, Travelling, Internet Surfing Etc.
- Reading News Paper, Watching Movies, Cartoon and Discovery Channel.
- Counting stars.

Project

1. **Title:** “Development Of Location Finder Tool Android”.

Summary- Mobile positioning in cellular networks provides several services such as, locating stolen mobiles, emergency calls and methods to predict the user movement inside a region. A Location Finder is a feature found on websites of businesses with multiple locations that allows visitors to the site to find locations of the business within proximity of an address or postal code or within a selected region. Thus using this application we can save Time & Resources and can prove a better option for finding shortest path at the time of emergency.

Duration- 6th Months.

Team Member- 4

My Role- Analysis & testing.

2. **Title:** “A Tool For Converting ER Model Into Logical Database Schema”.

Summary- The project helped us to gain deep understanding of ER model. We learned about all the components present in ER model in detail. We became familiar with transformation rules used to convert ER model into logical schema. We learned how strong entites, weak entities, partially dependent relations, relationship with one to one, one to many, many to many are mapped into logical schema. We also came across various tools to draw ER diagrams like ERD plus and their functionalities. We also learnt how to decode .erd plus file and extract meaningful information from it.

Duration- 1 year

Team Member- 2

My Role- Analysis, implementation and testing.

Personal Details

- Father's name : Shri Om Prakash Agnihotri
- Date of Birth : 24th October 1993
- Nationality : INDIAN
- Languages Known : English, Hindi.
- Address :37/1,Venkatadari Complex,1st cross NGR layout Roopena
Agrahara Bangalore -560068

I hereby declare that the information given above is true according to my belief and the best of my knowledge.
