Higher Secondary (XII) in 2012	JAI AMBEY VIDHYALAYA, Vadodara	60 %
Secondary (X) in 2010	SVVM, Vadodara	63.23 %

## Academic Projects

### ➤ B.E PROJECT: Voicera – Voice Controlled Game in Android

Voicera is a voice controlled game for Android Platform. The main aim of this Project is to take a gaming experience to a high level by controlling it using user's voice. The directions, jump and action keys will all be replaced by voice.

The motivation for developing this application is that the user is bored by playing the same kind of games with very few changes in how they control the game in mobiles. This game will provide something new and interesting to Android mobile users.

## Hobbies

- Listening Music, Playing Games and Surfing the Internet
- Cricket and Badminton
