## PROJECTS

- Developed Android Application 'Easy Exams FY Engineering MU'.  
Provide previous 2 year solved question papers aimed for first year engineering students under Mumbai University that includes all major subjects with exam tips which brings confidence to tackle the pressure of examination, Works in offline mode too and easy to understand.
- Developed Android Application called as 'CraftAgro'.  
CraftAgro is a market of organic food vegetables that enable users to book their respective order by providing them choice between wide range of products (vegetable) and that particular order will be collected and stored in database for further processing. As we all know 'HEALTH IS WEALTH' these vegetable provides various health benefit that makes mind sharp and body strong.
