OBJECTIVE

It's been a Real pleasure of working in diverse settings within Creative with Over 11+ years experience, I understand the importance of working with clients give them Creative directions which appeal them & with tight deadlines while still taking the time to pay attention to every project I take and get it executed.

I have a strong design judgment in UI/UX, successfully made decisions about visual elements & colors used, what artistic style to use, lay-outing, graphic sense, etc.

Good team leader with ability to multitask and work efficiently under deadlines.
