ACADEMIC PROJECT

Project Name : Mortal Policy Outline

Duration : 4 months

Technologies : Servlet, JSP, JavaScript, MySQL, MAVEN, JUnit, Tomcat.

The objective of the project is to automate the management of insurance activities of an insurance company. The purpose is to design a system using which users can perform all activities related to insurance company. The proposed system is a web based application which maintains a centralized repository of all information. This makes it convenient to access required data easily. Various reports can be generated by the managers. The system integrated all information related to various branches. Using the system customers can make online payments.

Project Name : Online Examination System

Duration : 3 months

Technologies : JSP, Servlet, MVC, Oracle 10g

Online Examination System is an online test simulator is to take online examination, test in an efficient manner and no time wasting for manually checking of the test paper. The main objective of this web based online examination system is to efficiently evaluate the student thoroughly through a fully automated system that not only saves lot of time but also gives fast and accurate results. For students they give papers according to their convenience from any location by using internet and time and there is no need of using extra thing like paper, pen etc. Online examination system helps students to offer a quick and easy way to appear for the test. It also provides the results immediately after the examination with 100% accuracy and security. Student can enter to perform exam only with their valid username and password. This examination contains multiple choice questions and appropriate number of options. The user can see their results after completing the exam. This helps the students to write the exam from far distance and which can provide security and simplicity and other beneficial features to the user.

Achievements and activities:

- Event organizer in college Tech Fest and Cultural Fest.
- Participated in school-level Debate Competitions.
- Received NRTS scholarship in class 5th & 7th standard
