Ref: Application for Software Developer/Programmer.

Respected Sir/Madam,

I am especially interested in applying for the position Software Developer/Programmer at your esteemed corporation.

I have completed **Diploma in Computer Engineering from SHMIT College, Ulhasnagar in 2013 with First Class** and **graduated in Bachelor of Engineering in Computer Engineering First class at GVAIET, Shelu in 2016**.

My experience on University projects has prepared me for a disciplined, secure, high paced work environment and the challenges associated with software development life cycle. I'm looking forward to use this experience for enhancing my skills and develop cutting edge business software solutions.

I would appreciate an opportunity to meet with you to discuss how my experience will best meet your needs.

Please find enclosed my resume for your perusal, which profiles the highlights of my academic accomplishments.

I look forward to hear from you.

Thank you,

Parag Shivankar
