SK INZAMAMUL HAQUE

🏠   SGR Dental College Road, Marathahalli, Bangalore -37, Karnataka

📞   **+91 8335871944**

✉   **inzam000@gmail.com**

🎂   **14th October 1993**

☛ Objective

To secure a challenging position where I can learn, innovate and effectively contribute my skills and knowledge in the field of Computer Science & Engineering. To share & apply my work experience & knowledge, possessing competent technical skills. As a quick learner & highly motivated person, prefer to explain & make understood new ideas, problem solving methods to subordinate through hard working.

☛ Educational Qualification

Certificate	Degree	Institute	Board/ University	Year of Passing	Aggregate
Graduate	B. Tech (CSE) Computer Science engineering	ST. Mary's Technical Campus Kolkata	W.B.U.T.	2016	**8.0 (DGPA)**
12th	Higher Secondary	Hakola U.C. High School	W.B.C.H.S.E.	2010	**65.6 %**
10th	Secondary	Hakola U.C. High School	W.B.B.S.E.	2008	**67.1 %**

☛ Technical Skill Set

☐ **Programming Language:**   Core JAVA.

☐ **Testing:**   Manual & Automation.

☐ **Database:**   SQL, Oracle DBMS.

☐ **IDE:**   Eclipse, Android Studio.

☐ **Tools:**   Selenium, QC.

☛ Industrial Training

- Summer training on **ANDROID using JAVA** under **Globsyn Finishing School.**
- **Manual, Automation TESTING, SQL** Certified from **Q Spider.**

☛ Subjects of Interest

- Communication System
- Operating System with Linux
- Database Management System with Oracle
- Object Oriented Programming with Java
- Embedded Electronics

☛ Academic Projects

Virtual Synthesizer (TARANG)

- ➢ Virtual Synthesizer is Android mobile app named **TARANG**. It is virtual musical instrument in which we can select various musical instrument like piano, guitar, drum set. We can practice this musical instrument and record the played music.

Smart Contact System(SMCONT)

- ➢ Smart Contact System android mobile app named **SMCONT** in which we can store all the contacts in your phone book is any how your contacts delete from your phone book smart contact system will provide user a full contact book list from where he user and synchronize the contacts to phone book.

Line Following Robot Using LDR

- ➢ This Robot follow the line. For coding, we use C& as hardware we use two LDR & two 5 Volt DC motors. This robot can run on the black and white lines.

UAV (Unmanned Aerial Vehicles) QUAD COPTER

- ➢ UAV is an Unmanned Aerial Vehicles to create this UAV I use some headwear like Raspberry Pi 2.0 board, 2.4 GHz 6 Channel Digital Radio Transmitter and Receiver remote, four BLDC motors, four propellers, one camera. For coding I use embedded C & also I create an Android app by which we can see the live video captured by Quad Copter camera in our mobile. We can control this UAV using radio signal transmitting remote within the range of 1.5 kilometre. We can use this Quad Copter for various causes like military purpose, access remote aria, photo shoot and film shooting, for security purpose e.t.c.

☛ Interpersonal Skills

- Highly perceptive, with proven ability to pinpoint problems, provide creative solution and follow through to resolution in a timely and cost effective manner.
- Excellent interpersonal and communication skills, packed with motivation & endurance towards development & technology.

☛ Workshops Attended

- Participated in the workshop on "**Robotics - Technosia 2014**" in association with **Technosia** at **IIT Guwahati**, 2014.
- Participated in the workshop hosted by the IEM Computer Society on "**Web Development Workshop**" at **IEM**, Kolkata, 2014.
- Participating inter college robotics competition.

☛ Achievements & Extra-Curricular Activities

- Runner up in **Debate Competition** as well as in **Volleyball Competition** in Annual Fest held at St. Mary's Technical Campus in 2014.
- Best Innovative App Award in St. Mary's Technical Campus.
- Secure third position in inter college robotics competition.
- Had been an active member in the Annual Fest held at St. Mary's Technical Campus every year.
- Organize A Local NGO (Needy help Organization).

☛ Hobbies

- Traveling
- Follow World News
- Listening to Music

☛ Language knows

- Excellent reading, writing and speaking in **ENGLISH**.
- Excellent reading, writing and speaking in **HINDI**.
- Excellent reading, writing and speaking in **BENGALI**.
