Role	Software Tester
Description	SUI is a scheme initiated by Hon PM Mr. Narendra Modiji to encourage Minorities to start their small scale business, providing loans in different facilities like Shishu, Kishore, Tarun, Other MSME and Stand-Up India. It is a common online platform for market place for Applicants, Banks, Branches, LDMs, SUCCs & SUHCs to track, pick up, sanction & disburse the applications considering transparency among all entities providing notifications, alerts, messaging, events & entity specific MIS Reports.

Project 3	Prime Minister Udyami Mitra Yojana (https://udyamimitra.in/)
Technologies	**MVC5, C#, Angular2, SQL Server 2014**
Role	Software Tester
Description	Udyami is a scheme initiated by Hon PM Mr. Narendra Modiji to encourage Minorities to start their small scale business, providing loans in different facilities like Shishu, Kishore, Tarun, Other MSME and Stand-Up India. The Portal, as a virtual market place endeavors to provide 'End to End' solutions not only for credit delivery but also for the host of Credit-plus services by way of hand holding support, application tracking, and multiple interfaces with stakeholders (i.e. banks, service providers, applicants). It is a common online platform for market place for Applicants, Banks, Branches, LDMs, SUCCs & SUHCs to track, pick up, sanction & disburse the applications considering transparency among all entities providing notifications, alerts, messaging, events & entity specific MIS Reports.

Project 4	Prime Minister Mudra Yojana (http://www.mudra.org.in/)
Technologies	**MVC3, C#, Angular1, SQL Server 2012**
Role	Software Tester
Description	Public platform for statistical reports against different schemes initiated by Hon PM Mr. Narendra Modiji to encourage youths, minorities against different schemes, domains, states, districts, banks provisioning the track back dated reports with various filters. It has been the strongest endeavor of the Prime Minister Narendra Modi to bank the unbanked population. Mudra Bank Loan yojana comes as a vision from the Prime Minister by the slogan, 'Fund the Unfunded'. MUDRA means Micro Units Development and Refinance Agency.

Project 5	eNlight 360 (https://enlight360staff.esds.co.in/index.php/user/manage/login)
Technologies	**PHP, Python, MySql, JQuery, Hypervisor's (Xen Server, KVM, HyperV, VMWare)**
Role	.Software Tester
Description	eNlight 360° is an on premise Cloud Computing implementation solution that ensures greater degree performance and auto scalability of virtualization with end-to-end Provisioning and Monitoring of IT Infrastructure through a single UI. With the patented auto-vertical scaling technology US (Patent No US 9176788) and UK (Patent No. : GB2493812) of CPU, RAM, Bandwidth and any such resources, eNlight 360° ensures the efficient utilization of IT Infrastructure.

Project 6	eNlight MDC
Technologies	**PHP, Python, MySql, JQuery, Hypervisor's (Xen Server, KVM, HyperV, VMWare)**
Role	Software Tester
Description	eNlight WAF is a web application firewall that protects your web application from common web threats by making your application secure and always available. eNlight WAF is an intelligent Cloud Hosted Web Application Firewall which detects vulnerabilities and possible attacks on the application, allows you to create custom rules for blocking web attacks and ensures that your website continues to load fast. With eNlight WAF, you pay as you go. Billing is done on your eNlight Cloud VM resource usage. It comes with unique attack blocking and patented Auto Vertical Scaling for better attack mitigation.

Project 7	Credit Enhancement Guarantee Scheme for Scheduled Castes (CEGSSC) (https://www.ifcicegssc.in/#No-back)
Technologies	**MVC3, ASP.NET, SQL Server 2012**
Role	Software Tester
Description	CEGSSC – An initiative of Ministry of Social Justice and Empowerment. To encourage and promote entrepreneurships among the Scheduled Castes who are oriented towards innovations and growth technologies by supporting the Bank and Financial Institutions [designated as Members Lending Institutions (MLIs) for the Scheme], in the form of Credit Enhancement Guarantee (minimum Rs.0.15 crore and maximum Rs.5.00 crore) against Working Capital Loans, Term Loans or Composite Terms Loans granted by MLIs to SC entrepreneurs.

Project 8	Power Finance Corporation Ltd (PFC) Portal & Website (http://pfcindia.com/), (http://pfcindia.com/enportal/Login#NoBack), (http://pfcindia.com/hnportal/Login#NoBack)
Technologies	**MVC3, ASP.NET, SQL Server 2012**
Role	Software Tester
Description	PFC- PFC is under the administrative control of the Ministry of Power. PFC was conferred the title of a 'Navratna CPSE' in June,2007, and was classified as an Infrastructure Finance Company by the RBI on 28th July, 2010.PFC plays a crucial role in the rise of India as a global player. Increasingly, a country's development is gauged by measuring its energy usage. With a large fraction of our nation still, unfortunately, without any access to electricity, PFC will become an increasingly important factor in the years to come.
