Skill Set :

Frontend Languages	Core Java ,Advanced Java, JSP Servlet, C, C++, HTML
Backend Languages	Oracle, Sql Server, MySql, MS Access
Other	Internet, MS Office

Academic Projects :

1) Electrical Appliances Using Voice Command :

Front End : VB6.0
Back End : SQL Database
Discription : In this project I have implemented system design is to provide easy means for normal, handicapped and old age persons to control and operate home appliances. Practical voice recognition kit is utilized in order to store and recognize the user's voice. Moreover, this project also helps in efficient use of the electricity which is an important constraint in day to day life. We used Java language as front end VB and SQL database as back end for project.

2) Attendance Management System :

Front End : PHP Langauge

Back End : SQL Database

Discription : With the help of attendance management system I have implemented lecture attendance, student   report , teachers or subjects wise student present or absent reports , attendance defaulter list ,daily attendance register , class wise ,subject wise and lecture wise attendance.it will eliminate the manual calculation of present or absent days for each and every teacher or student **.**To remove the process of taking attendance in attendance sheet. Each staff will be given with a separate username and password based on the subject they handle. This system will also help in evaluating attendance eligibility criteria of a student. Report of the student's or teacher's attendance on weekly and monthly basis is generated.

3) Book Recommendation System :

Front End : JAVA Langauge

Back End : SQL Database

Discription : With the help of recommendation system I have implemented recommendation system which aims at combining the various features of content ,collaborative filtering and context based recommendation system. It provides an easy to use graphical user interface for user profiles and book information system .It generates optimal recommendations for the people that have not sufficient personal experience to evaluate the potentially overwhelming , number of alternatives offered by website .

Strength and Hobbies :

I have strong commitment to work and learn from others with high grasping power.

Ability to work in a team with diverse backgrounds.

I am very passionate about playing in box cricket turnament, Good in Sports .

Reading spiritual books
